

The XE-A403 cash register is the ideal solution for businesses requiring advanced functionality along with a separate thermal receipt journal. It features an advanced sales reporting system designed for use with QuickBooks<sup>®</sup>, two large displays, an alpha-numeric display for the operator and a numeric display for the customer. 1800 price look-ups (PLU's) and an extra-large cash drawer for faster service. For ease-of-use, the XE-A403 includes a PC link cable and PC software for simple programming of all PLU's, departments and clerks. The XE-A403 also offers graphic logo generator to let users customize logos to receipts.

**Features:**

**Two-Line Operator and Single-Line Customer Display** allows both the operator and customer easy viewing.

**Dual Roll Register Tape** prints an individual copy for the customer and one for records.

**Thermal Printing** for fast printing speed and quiet operation.

**Spill Proof Keyboard Cover** for protection from soil and dust.

**99 Pre-Programmed Departments** easily separate merchandise types.

**1800 Price Look-Ups** for quick and accurate entry.

**PC Link Software** for easy programming.

**Graphics Logo Generator** for printing logos or graphics to receipts.

**Extra-Large Cash Drawer and Sub-drawer** for businesses with large cash handling requirements.

**QuickBooks<sup>®</sup>** link to the famous accounting software to integrate transactions.
